Announcement . . .

We invite all people who are interested in better livestock to attend our 35th Semi-Annual Sale. In our previous sales and our 4-H Calf Club Sales, it is estimated that we have sold some 2000 head of registered cattle. This has been a great asset to the community in that it has encouraged the production of better Shorthorns.

Our members have always bought superior herd bulls and only this last June did the McClaskey's buy one of the very top bulls sold during the spring sale season. He is an excellent bull from Kicka Poo Farms.

In this sale we are including some twenty-five club calf prospects which will be sold at the beginning of the sale. We will have a nice lot of calves, as listed in the fore part of the catalog. Bidding on the calves is open to the public.

Look the catalog over carefully. You will find a lot of well-bred cattle and a big percent of them the "close to profit" kind. Cows with calves at foot and rebred. Note all calves at foot will be registered and transferred to buyer. Pedigree will be sent promptly.

We wish to call your attention to George Shaw's Shorthorn sale at Trimble, Missouri, October 14th. This will be a good offering.

General Information

LOCATION—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, October 2, 1961. Sale at 12:30 p.m. There will be no show.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or to Mark Dempsey, Missouri Ruralist.

This calf was Grand Champion over all breeds at the Red Oak 4-H Show. He was bought by Norman Hausman in the October 3rd sale of the Northwest Missouri Shorthorn Association for \$150.00. At the time of the Red Oak Show he weighed 975 pounds and sold for \$41.75 per 100, so brought a little over \$400.00. So look our calves over carefully. This calf came from the John Combs herd.
